REPORTS:

Golf Professional – Bill Kubinski

Chaconas welcomed back as starter. Bill crunched some numbers and passed around the results. Figures indicated that by Memorial Day we need to cut the deficient by 20%.

Superintendent – Ryan Linton

The course is starting to green up. Although we are extremely wet, received 2 + inches of rain. Irrigation pumps turned on last week, had to address a couple of irrigation fixes (traditionally) \ happens every year. Did the communication check and we are good. 16th hole, looks like we may have to shorten the fairway, ending up being 110 yds. to carry to the tee. April 29th to May 2nd working on 3 and 17 tee boxes, men's 2 and 10 need some work. Solid tine and over-seed the 9th fairway, first week of May.
